

Transferring Credits on Invoice Groups

To better serve our members, San Patricio Electric has decided that any credit on an account(s) in an Invoice Group will be automatically transferred to pay other accounts with debit balances within the Invoice Group. If there is more than one person paying on your Invoice Group or if you want a credit to stay on a particular account, please contact the billing department at 888-740-2220, option 5 to discuss necessary changes to your Invoice Group.

With this change, the amount due on the Summary Page will reflect any credit(s) in the Invoice Group showing the net amount.

As of June 1, 2016 all credit transfers will be part of our monthly business process.
