C. Cities

The service area of the Cooperative includes all or portions of the incorporated municipalities of Odem, Beeville, San Patricio, Lake City, Mathis and Sinton.

SECTION: UTILITY OPERATIONS

102. Purpose and Scope

These tariffs define the service relationship between the Cooperative and persons desiring or receiving electric utility service from the Cooperative.

Contractual rights and obligations of both parties are specified in a manner consistent with regulations affecting the Cooperative's method of operation.

103. Applicability of Tariffs

These tariffs are applicable to the provision of all electric utility service by the Cooperative in all areas in which the Cooperative provides service except as may be precluded by law.

104. Severability

If any provision of these tariffs is held invalid, such invalidity shall not affect other provisions or applications of these tariffs, which can be given effect without the invalid provision, or application, and to this end the provisions of these tariffs are declared to be severable. These tariffs shall not be construed so as to enlarge, diminish, modify, or alter the jurisdiction, powers or authority of the Cooperative granted by appropriate Regulatory Authority.

105. Modification of Tariffs

Any class of service may be redefined and these tariffs may be changed, modified, or abrogated in whole or in part by any Regulatory Authority having jurisdiction thereof, whether or not at the request of the Cooperative, a Member, or otherwise. Any changed tariff or redefined class of service shall be applicable to electricity and related services provided from and after the effective date of such change.

106. Waiver

The failure of the Cooperative to enforce any of the provisions of this tariff shall not be considered a waiver of its right to do so.
